

Deposit System

ECD

- Secured cash system for the deposit of coins and banknotes.
- Your customers can quickly deposit their cash into this secure safe.
- Automates cash processing task.

Easy Cash Deposit

The ECD is a quick and safe cash system to deposit coins and banknotes. It is suitable for any business looking for a simple and effective solution to process cash.

Undeniable advantages

Optimisation

An adapted and customizable touch screen guides the user through the deposit process.

Intelligent

Foreign or non-compliant banknotes and coins are rejected.

Security

To deposit cash, customers must enter their IDs using a code or contact/contactless card.

Autonomy

Its capacity is adaptable and can store approximately 40 000 coins and 1,200 to 2,200 banknotes.

Accessibility

As an option, an opening at the rear of the deposit system makes it possible to securely retrieve the coin and banknote cassettes.
