

Cash Converter

FCC

- Powerful and intuitive, this cash system converts your coins into vouchers.
- The FCC is one of the most compact currency converter on the market.
- The end-user can easily navigate the system thanks to its intuitive touchscreen and the displayed operating instructions.

Fast Coin Converter

The FCC is a fast and intuitive coin converter. This cash system turns your customers' coins into vouchers usable in a nearby shop or mall.

Undeniable advantages

Loyalty

This cash system allows customers to get rid of their extra coins by turning them into a voucher usable in your shop.

Optimisation

The coins collected by the FCC can make their way back into your float, avoiding coin shortages.

Attractive

A bright billboard will entice customers to use the FCC, they will then be guided by the touchscreen throughout the whole transaction.

Reliability

Coins and objects not recognised by the system, like tokens, keys or foreign currencies, are rejected.
