

# Deposit System

EBD

- Fast and secure banknotes deposit machine.
- With a simple integration, the EBD is suitable for any type of organizations.
- The banknote reader is adaptable according to the volume of deposits done.

## Easy Banknote Deposit

The EBD allows the automatic and secure deposit of banknotes. Compact, adaptable and in self-service, it is perfectly suitable for any type of structure and allows the secure deposit of revenues during or at the end of the day.

## Undeniable advantages

### Security

Users must identify themselves via a code to insert their notes.

### Autonomy

An integrated touch screen is used to guide the end-user through the deposit process.

### Disponibility

As an option, a remote monitoring software allows you to follow in real time the stock of the cash system.

### Intelligent

Counterfeit banknotes recognition is ECB approved.
